Venue – North Walsham Rugby Club

New venue for 2017/18! This will be the first course run from this venue – we have access to a classroom facility and piece of woodland on site with kind permission from Rooted in Nature (<http://www.rootedinnature.org.uk>) who use the site for Forest School and woodland activities with vulnerable groups. The Rugby Club is located in Scottow, near North Walsham on the main Norwich road.

Students wishing to 'Top up'

The modular format of training is designed to be flexible to meet learners needs, therefore it is possible for students who have recently gained a level 1 or 2 Forest School Qualification to 'top-up' their training to level 3. Ideally the level 1 or 2 qualification will have been gained within 2 years before the start date of the level 3 course and was undertaken with FSTC. If you did your level 1 or 2 with a different training provider and wish to 'top-up' please contact us before booking to discuss options. All students are required to attend the immersion day at the start of the course, but then people who have done level 1 can omit Module 1 and those who have done level 2 can omit Module 1 & 2.

Prices

FSTC prices are fully inclusive of all course costs, including; qualification registration & certification, marking & moderation, administration, course support resources & access to equipment, student website access, and tutorial support. There are no 'hidden extras' and we do not charge our students for late submission of work (unless the submission date has gone beyond what is required by the moderators).

	Number of Training Days attended	Cost of course*
Level 3 Full Course	12	£1,220
Level 1 to 3 'Top Up'	10	£1,070
Level 2 to 3 'Top Up'	6	£870

**Delivery Assessments – at level 3, students are assessed for leadership skills by an assessor travelling to the student's FS site & observing practice. We also use this visit as an opportunity to provide tailored advice and support to students about their Forest School site & situation to help them action plan for future development. In order to provide this service, an additional charge of £75 plus 40p mile is levied for students working outside a 30-mile radius of the training venue.*

Value Added Features of our training course

We care about the quality of our training and the Forest School practice which ultimately results from it. There is a wide range of Forest School training available in the UK and we want to ensure that our course is right for the students that choose to undertake their training with us. Our training course aims to support aspirant Forest School Leaders every step of the way. Some of the additional benefits that our training offers are:

- **Modular Format** – making learning more manageable, working through the seasons
- **Delivery Assessments** – we visit you at your Forest School to give you tailored feedback and support relevant to your situation for your future development
- **Nationally recognised Qualification** – we use the most up to date Forest School qualification units. These are the national standard and on the QCF.
- **Outdoor living experiences** – through the immersion day and woodland camp out
- **Online Services** – Student password protected web pages & resources,
- **Ongoing Support** – 'Tutor on call' days & woodland practical practice days
- **Free 1 year student membership** to the Forest School Association

First Aid

Level 3 students will need to hold an appropriate Outdoor First Aid certificate (we recommend doing one that is at least 16 hour and that covers the age groups you intend on working with) before they run their introductory Forest School Programme (after module 5). In Norfolk, a specialist trainer regularly offers a 16 hour first aid for Forest School course. We will give students information on this upon booking.

How to Book

Please complete and submit the online application form. We will then contact you by telephone to discuss the course and undertake the applicant interview process.
