Venue – North Walsham Rugby Club

New venue for 2017/18! This will be the first course run from this venue – we have access to a classroom facility and piece of woodland on site with kind permission from Rooted in Nature (<http://www.rootedinnature.org.uk>) who use the site for Forest School and woodland activities with vulnerable groups. The Rugby Club is located in Scottow, near North Walsham on the main Norwich road.

Students wishing to 'Top up'

The modular format of training is designed to be flexible to meet learners needs, therefore it is possible for students who have recently gained a level 1 Forest School Qualification to 'top-up' their training to level 2. The level 1 qualification must have been gained within 2 years before the start date of the level 2 course and needs to have been with FSTC. All students are encouraged to attend the immersion day at the start of the course, but then people who have done level 1 can omit Module 1 and go straight into module 2.

Prices

FSTC prices are fully inclusive of all course costs, including; qualification registration & certification, assessment marking & moderation, administration, course support resources & access to equipment, student website access, and tutorial support. There are no 'hidden extras' and we do not charge our students for late submission of work (unless the submission date has gone beyond what is required by the moderators).

	Number of Training Days attended	Cost of course
Level 2 Full Course	5	£600
Level 1 to 2 'Top Up'	3	£450

Value Added Features of our training course

We care about the quality of our training and the Forest School practice which ultimately results from it. There is a wide range of Forest School training available in the UK and we want to ensure that our course is right for the students that choose to undertake their training with us. Some of the additional benefits that our training offers are:

- **Modular Format** – making learning more manageable, and giving you the option to 'top up' your training to level 3 in the future should you wish to.
- **Nationally recognised Qualification** – we use the most up to date Forest School qualification units. These are the national standard and on the QCF.
- **Outdoor living experiences** – through the initial immersion day
- **Online Services** – Student password protected web pages & resources,
- **Ongoing Support** – 'Tutor on call' days for tutorial support
- **Free 1 year student membership** to the Forest School Association

Supporting a Forest School Programme

To complete the level 2 qualification students are required to support a minimum of 3 consecutive sessions within a Forest School programme being run by a level 3 Leader. It is usual that students will arrange this themselves, however if participants do not yet have contact with a Forest School, our tutors may be able to signpost students to existing Forest Schools if needed.

How to Book
