FSTC training courses / events take place in woodlands / open countryside and are by their nature not absolutely free from hazard. FSTC makes every effort to minimize risks to clients and instructs clients in the safe negotiation of such risks as may remain. Consequently the client acknowledges that there are circumstances in which an accident could befall a client without FSTC being at fault and accepts that he/she is taking part in an FSTC course/event at his/her own risk.

- a. FSTC only accepts liability for physical injury to a client that is shown to result from negligence on the part of FSTC

The client is strongly advised, if not already covered by insurance through the nature of their employment, to take out personal insurance of the type available to holiday-makers to cover the risks ordinarily covered by such policies, including personal injury, loss of belonging and money and cancellation.

Furthermore it is the client's responsibility to ensure they have adequate and appropriate insurance cover to deliver their Forest School Programme as part of the completion of the level 3 Forest School qualification.

10. Entry Criteria Level 2

Students will need to have the correct **entry requirements** before being accepted on to the training course.

- a) Be over 18 years of age
- b) Have a current CRB disclosure (or Disclosure Scotland Certificate)
- c) Have experience of working with children
- d) Students will need to be able to assist a level 3 FS Practitioner (Leader) on 3 consecutive sessions of Forest School as part of their training.

11. Attendance, equipment and remit

By booking on the training, students agree that:

1. They understand that this is a level 2 Forest School Assistant training course which is accredited through Open College Network (OCN) and contains 2 units, both of which needs to be fully completed at the depth required at level 2 in order to be certificated.
2. Barring unexpected circumstances, they will attend all the course elements and fully complete the training according to the timetable. They agree to commit the time to completing the coursework elements of the training, in their own time if necessary.
3. They know of no medical reasons why they should not participate in any of the following activities:
 - a. Use of Tools, Shelter building and Team building activities
 - b. Woodland conservation tasks and Green woodwork
 - c. Fire lighting and Camp fire cooking
4. They understand that FSTC will provide all other training equipment for use during the training.
5. They understand that the level 2 training does not entitle students to lead at Forest School (they must have a level 3 Forest School qualification to lead).
6. They understand that First aid Training is not included in the Forest School training and will be charged for separately.

12. Students at level 2 are required to

- To assist with the planning and running of 3 consecutive sessions of a Forest School Programme, for a small group of children, led by a qualified level 3 Forest School Practitioner (Leader), in an outdoor environment (preferably woodland).
- Complete a practical assessment (see below)
- Complete coursework (written evidence of learning) relating to both units of this award.

13. Assessments

There is one practical assessment and one written assessment (coursework) to be completed to the requirements set out by Open College Network (OCN) who accredits this training.

Practical Assessment - takes place during the training (module 2). Students are assessed on their competence with knots and their safe use of tools and firecraft.

If students do not pass the assessment, a re-assessment date will need to be arranged separately and this will involve an additional cost to the student.

14. Coursework

In order to gain the certificate for the Level 2 Forest School Assistant Award, students will need to complete the practical assessments (as above) and written coursework. The written coursework is required to be written to the depth suitable at level 2 (written to the standard of 'GCSE' level). Students are given hand-in dates for their coursework and students are expected to meet these deadlines. Students are expected to take around 4 – 6 months to complete the training (including coursework). FSTC can grant extensions in extenuating circumstances and this is at the discretion of FSTC. Students will need to contact FSTC at the earliest opportunity to discuss an extension. Students who do not contact FSTC beyond their agreed hand-in deadline will be deemed to have opted to withdraw from the training.

Overall students have a maximum of 1.5 years time limit, from the start of their training course to submit their completed coursework portfolio. After this time period no further extensions, nor marking of coursework will take place.

The coursework is marked by FSTC Tutor Assessors. They will assess the suitability of the student's evidence against each of the assessment criteria in line with the requirements from OCN. Detailed written feedback is given to students on their overall standard of work. This feedback will also highlight if any further work is needed in order to bring the coursework up to the required standard at this level. Students are given three opportunities (within clear time frames) to submit any additional work to bring their coursework to the required standard and to fully answer all the questions set in the two units.

Only once the FSTC Tutor Assessor has deemed the coursework to be 100% complete, meeting all of the assessment criteria at the required standard, will the coursework portfolio be submitted to the Internal Moderator (IM) for the 2nd marking phase. The IM will moderate the coursework portfolios, ensuring the correct level has been attained. In the event that the IM considers the portfolio to be below standard or showing insufficient evidence, he will request further work from the student via the Tutor Assessors. The student will then need to submit further work until the IM is satisfied the coursework portfolio is complete. Only when the IM has signed the coursework portfolio can certificates be applied for.

Support and guidance are given by the Tutor Assessors and FSTC during the training, as well as upon request. The support given to students is via telephone and email. The level of support and the length of time given to support a student is within what FSTC Tutor Assessors consider to be reasonable at this level of training. FSTC reserves the right to limit the amount of support in light of this.

15. Completion and Certification

Students will only be put forward for certification when:

- they have participated in all the taught elements of the training; **and**
- they have completed a coursework portfolio for both units, to the required standard;

The final decision on submission of a candidate for qualification and certification rests with Internal Verifier (subject to the Appeals Procedure below).

If a student is unable to attend any one of the scheduled elements or parts of the training course, they will be expected to contact FSTC immediately to discuss alternative arrangements. This can involve an additional charge being made to the student.

16. Appeals Procedure

In accordance with the guidelines set out by OCN, the following Appeals Procedure may be invoked by any student registered for a learning programme with FSTC. In the first instance, the student should appeal in writing to FSTC within 14 days of an assessment or upon notification of a decision regarding the Coursework Portfolio. This appeal should state the reasons for the appeal and include the item(s) of evidence in dispute. After fresh consideration of the evidence in dispute and after consultation with another qualified assessor and/or Internal Moderator, the first Assessor shall then reply in writing to the candidate stating the reasons why the initial judgement is to stand or the reasons for any new judgement.

If the student remains unhappy with this second judgement the candidate can appeal in writing, setting out the nature of the appeal and including any evidence in dispute to the Internal Moderator. This should be done within 14 days of the written second judgement by the assessor. The Internal Moderator will then make a judgement in writing to the candidate within 14 days of receiving any appeal. If the candidate remains unhappy with the judgement of the Internal Moderator the candidate may appeal to the External Verifier under the same conditions as stated for an appeal to the internal moderator. At this stage the appeal passes out of the jurisdiction of FSTC and becomes a matter for the External Verifier and the Awarding Body (The Open College Network). At any stage of the appeal the Assessor and/or Internal Verifier may pass the appeal direct to the External Verifier for judgement.
