

Modular course Students Level 2 Forest School Assistants Award Final Coursework

As part of the modular course students can gain the Level 2 Forest School Assistants Award. In order to achieve this award, students will need to send in all their completed workbooks for both Module 1 & 2, together with the following final coursework:

1) Assisting at Forest School.

Students will need to show that they have assisted with the planning and delivery of 3 consecutive Forest School sessions, run by a qualified level 3 leader. Please note these 3 FS sessions must be part of a longer FS programme with the same group of children and a week apart.

Please complete the attached Witness Statement.

The level 3 Forest School leader that you assisted will need to sign the document and will also need to send a photocopy of their level 3 FS certificate.

2) Observations of one child over three sessions at Forest School

Whilst students are assisting the FS leader on three Forest School sessions, they will need to make observations on one child/young person over those three sessions. They will need to write about the impact of FS on that child's learning and development.

Please complete the attached Observation sheet

3) Role of the Assistant

Students will need to write about the role of the assistant with regards to:

- supporting the learning and development of the children attending the FS Programme.
- supporting the FS leader in the running of the FS Programme.

Please complete the attached form.

4) Students will need to provide a summary of their learning journey during the training.

Students will need to summarise their personal development and learning gained whilst training in Forest School.

Please complete the attached Summary of Learning Journey

5) Tutor Observations on Safe Practice.

Students will need to be observed by the tutor regarding their knot, tool and fire skills. This will be observed during module 2 and the tutor will need to sign the form.

Tutor to observe and complete the attached Safe Practice form.

Please post all of the above documents to:
